

Library Services and Recovery College

The library at the **Uffculme Centre** is open to all Recovery College students and family carers for reference only purposes.

Library staff will be able to assist you with any information or IT support you may need, helping you to find quality health information as required.

Use of a computer and printer

An open access computer and printer are available which will enable you to access the Recovery College pages as well as other external websites.

Photocopying

If you need anything photocopied, please ask the library staff who will be happy to assist.

Resources

There is a large selection of Books on Prescription and Mood Boosting titles available in the library for quick reference access - majority of these titles are available for you to loan from your local public library.

Environment & Security

Do not leave personal items unattended in the library
